MEMORANDUM FOR THE DEPUTY DIRECTOR, SUPPORT
CENTRAL INTELLIGENCE AGENCY

At the invitation of the Central Intelligence Agency, Colonel Matthew C. Stewart, USA, my Assistant Director for Operations, has recently been permitted to attend and participate in two training courses at an Agency field training site.

My office has been receiving requests from the Services for training and the use of training facilities which might be provided by the CIA. I therefore greatly appreciate your permitting Colonel Stewart to view certain of your training activities which will most certainly facilitate assessment by my office of Service requests for training which may be made by the CIA.

Colonel Stewart has emphasized to me the high order of courtesy and the assistance given to him by Mr. Matthew Baird, Director of Training, and his staff.
